

# Safety measures at Ruhr-Universität Bochum

### **Emergency**

Fire!

Help!

**Accident** 

# Measures to contain the Corona-Virus!

# **Escape and Rescue Routes, Emergency Exits**

### **Escape and Rescue Routes:**

- must be kept free at all times
- Do not constrict escape routes
- follow the exit signs
- never store objects and items here (not even temporarily!)
- Do not put fire protection systems out of force!

Monomorphism of the control of the c

### Brandschutztür verkeilen, verstellen, festbinden o.ä. verboten

### **Fire- and Smoke Control Doors**

- The doors along a rescue route shall be easily accessible and it shall be possible at all times to open them in the direction of escape without auxiliary means.
- Keep smoke control doors and emergency exits closed, but do not lock them!
- Smoke control doors must not be kept open by means of door stops or other objects.

### **Escape and Rescue Routes**

**Emergency exits and escape and rescue routes** are visible and permanently marked.

Locations of escape route plans: In corridors and elevator lobbies

### Starting the rescue chain @ RUB

# **RUB Control Room "Leitwarte"** (for emergencies on RUB Campus)

- Telephone number for the RUB Control Room 0234/32-23333\*
- Telephone number 23333 (from an internal RUB phone)

## \* Please store this number in your mobile phone!!!

The RUB Control Room starts the rescue chain. The RUB Control Room staff informs the according emergency services (fire service/ambulance and/or police) and ensures that the emergency service(s) arrive at the scene as quickly as possible. Depending on the emergency, the RUB Control Room staff will also send company paramedics to the scene. The RUB Control Room is available around the clock every day.

**Attention:** The telephone number can differ for RUB facilities which are off Campus. Please enquire about the correct telephone number to start the rescue chain at your location!

### ZENTRALER NOTRUF (0234/32) **-23333**

### EMERGENCY CALL (0234/32) -23333

### In Case of Fire Verhalten bei Bränden Ruhe bewahren Keep calm Press fire alarm button Feuermelder betätigen 1. Report fire 1. Unfall melden Wo ist der Verletzte (Gebäude, Etage, Raum)? Report accident Was ist passiert (Art, Schwere der Verletzung)? What happened (type of accident/ how serious)? Wie viele sind betroffen/ verletzt? How many people are injured? Art von Verletzungen? What kind of injuries? Welche Rückfragen der RUB Leitwarte abwarten Wait for guestions/instructions from RUB Control Room! Warten 2. Erste Hilfe Absichern des Unfallortes Secure the site First Aid Leisten Sie im Rahmen Ihrer Möglichkeiten Erste Hilfe Give first aid where possible Beruhigen Sie den Verletzten Reassure injured person Weitere Personen um Mithilfe bitten Ask other people for assistance 3. Weitere Krankenwagen, Feuerwehr einweisen 3. Further actions Provide instructions to ambulance or fire service staff Ggf. Betriebssanitäter anfordern 0234/32-23333 If necessary, ask for RUB paramedics 0234/ 32-23333 Maßnahmen Verhalten bei Bei Ertönen des Hausalarmes müssen alle Personen ≥ . ∠ In case of In case of alarm, all persons have to das Gebäude umgehend verlassen. leave the building at once. Hausalarm house alarm Sammelplatz aufsuchen, auf Anweisungen achten. Go to the assembly point, pay attention to instructions. Brandschutzordnung nach DIN 14096 Gebäude (Campus) Ruhr-Universität Bochum Stand: 01/22

### In case of house alarm

### >>> Keep calm!

- When the alarm bell or voice alarm sounds, all persons must leave the building immediately. Warn people who may have overheard the alarm.
- If there is no **immediate** danger, stop or switch off running machines, appliances, gas, compressed air, laboratory electricity and water.
- When leaving the rooms, doors and windows must be closed, but not locked.
- Take your personal belongings with you, such as ID cards, clothing, bags and keys.
- Leave the building via the signposted escape routes. Do not use elevators!
- Help people with disabilities. Notify the emergency services if people are unable to leave the building without help.
- Go to the assembly point indicated for your building and follow the instructions of the emergency services

### House alarm: assembly points

### **Escape Routes: Lecture halls and seminar rooms**

- stairs must be kept free at all times
- do not add additional chairs to seminar rooms
- all doors of lecture halls and seminar rooms must be kept free at all times
- Please listen to the instructions of your lecturers, this is important for your own safety!

### Website for dealing with emergencies at the RUB

Should there be a major emergency at the RUB, information would be provided via the website <a href="https://notfall.ruhr-uni-bochum.de/en/">https://notfall.ruhr-uni-bochum.de/en/</a>

This website also contains general information for dealing with emergencies at the RUB (for example instructions for first aid, telephone number for hospitals etc.)

### Pregnant students at the Ruhr-Universität Bochum

- The "Mutterschutzgesetz" (law for the protection of expectant and nursing mothers) applies to pregnant students
- Therefore obligations to report, rention periods and the duty to evaluate possible hazards do apply for pregnant students
- Pregnant students are asked to report the pregnancy using the RUB website of the student services (<a href="https://www.ruhr-uni-bochum.de/studierendensekretariat/">https://www.ruhr-uni-bochum.de/studierendensekretariat/</a>
- Additional information is also available on this website.

### Statutory accident insurance when studying @ RUB

- In case of an accident at a RUB location, employees and students are insured by "Unfallkasse NRW"
- Accidents while commuting to and from the RUB are covered as well
- Students may report all accidents to: Akafö, Fr. Meya, Building SH 1/113, Tel. 0234/32 - 11603

### Measures for containing the Corona pandemic at RUB

Please check the information provided on the RUB homepage.
Here you will find the current RUB Corona rules:
